# MEETING MINUTES

- Getting good participation and feedback from SMEs
- Testing
  - Making good progress on testing and getting good feedback
    - Added tester from Prorate Audit team
  - Regression testing for all DVS business units begins 8/9
  - Prorate SMEs and MNDRIVE Prod Support team members are verifying converted data
    - Quality of data and scope of conversion are looking good, especially compared to R1
- Training
  - Training starts next month
  - Holding meetings with Prorate team and deputy registrars to prepare for training
  - Talking with DVS and Fast training teams, and the OOC and Erica Baraglia, about different methods for reaching the 8,000 motor carriers:
    - Will soon be sending weekly communication to motor carriers with updates and information
    - WebEx training sessions
    - Training videos
      - MTA SMEs are willing to participate in videos
    - Help page on e-Services for Business
    - Quick Reference Guides
    - Help Manager in MNDRIVE
  - Brandon and Erica Baraglia met with John Hausladen to discuss outreach and training plan
    - John offered support in distributing information, videos, guides, etc.
    - DVS will submit article for Sept. edition of monthly MTA magazine
    - DVS potentially producing short 2-3 minute testimonial videos from the 2 MTA SMEs on the project
- Code freeze
  - Code freeze will start in mid-August will put hold on enhancements to MNDRIVE production environment
    - Exceptions will be approved by Brandon
    - Work will continue on enhancements
      - Code placed in lower environments until after roll out
- Cut-over
  - MNDRIVE and e-Services will likely be down Oct. 2-3 for cutover
    - Working on timeline and communication
- Legislative update
  - Lots of bills passed during busy legislative sessions that affect MNDRIVE programming

# MEETING MINUTES

- Bills with effective dates of 7/1 were tricky or impossible to meet because of short timeline
  - Project team and Fast working hard and fast to implement
- Bills with effective dates of 8/1 will be completed soon
  - Plate fee increases have been tested
    - Thanks to Allison Malack for completing that so quickly
- Self-service kiosks pilot project
  - Establishes process for customers to directly purchase vehicle registration
  - DVS must contract with vendor
    - Vendor provides hardware, software, and training
  - Kick-off meeting held
    - No MNDRIIVE programming will be done until vendor is chosen
  - More updates to come in future meetings
- Ken provided an update from the Fast perspective
  - Phase II
    - Business testing of development almost complete
      - End-to-end testing starts soon
    - Cutover discussions
      - Getting into granular details
    - Training
      - Looking at offering training to 85 business that provide services to motor carriers
    - MINNCOR
      - Will be able to print and directly ship IFTA decals at roll out
      - Next phase under discussion will be printing and shipping IRP plates, year/weight stickers
        - Will discuss with MINNCOR if this is even possible
  - Driver Services update
    - New Disability Certificate workflow
      - Customers can now apply for new certificates online
      - Next and final phase of implementing new workflow will add ability for print room to scan incoming mail
    - Driver Education
      - Database that tracks driver education schools is moving from in-house Microsoft Access file to MNDRIIVE
        - Hope to roll out next week
  - Vehicle Services update
    - Title printing
      - Made changes to title formatting
        - Cover sheet eliminated for most titles

# MEETING MINUTES

- 6,000 out of 6,300 titles could be printed without cover sheet
- Titles now able to print without exposing personal information in address window
- Print room getting caught up on title backlog
- New workflow for Fleet
  - Improvements to process flow going into Production this week
- Reducing tabbing
  - #1 system enhancement priority for deputy registrars
  - Involves restructuring 11 screen sections
    - Speeds up process flow
  - Rolls out next week
  - DRs should be notified that fields will move
- EVTR
  - Met with MADA to discuss enhancement requests for EVTR
    - Making sure requests comply with statutes
    - Looking at programming feasibility
- Pancho provided an update from the MNIT perspective
  - MNDRIVE system stable and operating well
  - Holding meetings to plan hosting site move from Fast data center to the cloud
  - Planning for MNDRIVE Phase II upgrade
  - Implementing other technologies to improve customer service
    - Fast chat bot for website implemented
      - Nicknamed TAMI
    - SMS chat option for callers to Public Information Center
      - Starting to implement vendor system
- Questions from the group
  - Jeff Lenarz asked if it was possible for Fast to demo the new screen layout
    - This was demoed during the Open Discussion portion of meeting
  - Molly asked if any DRs were included in kiosk kick-off meeting
    - Brandon said kick-off meeting was high-level discussion
      - DVS will make sure DRs are involved
  - Amanda asked when the RFP process will start to choose a kiosk vendor
    - This has not yet been decided

## Program Area Updates:

- Greg Loper provided the Vehicle Services update
  - Title work in progress continues to go down
    - As of 7/19:
      - 37,700 title applications in queue
        - Down 120,600 from peak of 158,300 in April
        - Number of titles processed exceeds number of titles received for 12 straight weeks
      - Minnesota titles are 4 days out

# MEETING MINUTES

- Down from high of 39 days on 5/4
  - MCOs are 4 days out
    - Down from high of 41 days on 5/4
  - Out of state titles are 5 days out
    - Down from high of 41 day son 5/4
- New plate fees go into effect on 8/1
  - Single plates: \$13.50
  - Double plates: \$15.50
  - New fees will be listed on pre-bills
- 16,000 non-title records without images were found
  - Mainly permanent registration trailers
  - Images found and matched
  - Items added to work queues
- Salvage refresher training being offered this week
  - Refresher training for other areas will be offered later
- Forecasting of incoming title volume continues to improve
  - Trade partners providing information on current demand for vehicles
- Implementing first phase of Title & Reg quality control process on 8/2
  - Staff will receive feedback on their production quality
- Group discussion
  - Amanda asked if EVTR use is leading to fewer titles in DVS queues
    - Greg said lower auto sales due to limited supply was contributing to low title volume at DVS
  - Amanda asked if DVS will communicate with the public about plate fee increase
    - Beckey said she is discussing with OOC best methods for informing public
      - Will do social media outreach
      - Considering a news release
      - August renewal notices delayed until 8/1 to avoid confusion
    - Beckey confirmed that customer pays new fee based on plate purchase date, not vehicle sales date
  - Beckey said legislative bulletin is finished and going out this afternoon
  - Ken said avg. daily title production in MNDRIVE has surpassed that of MNLARS
- Andrea provided a Driver Services update
  - Working to implement 20 pieces of legislation that impact Driver Services, such as:
    - Re-opening Exam stations
    - Adding a no-show fee
    - Changes to Ignition Interlock Device Program
  - Working quickly to implement changes with 7/1 effective date
- Rachel Horn provided an update on Support Services for Disability and Mail/Printing
  - Mail/Printing
    - New process for printing titles implemented 7/14
      - Affects new titles
      - Backlog of titles still needs to be printed with cover sheet
        - Working on 7/7 title print file
